Rave Reviews

"Denise Perrier is more than a good singer. She is a complete entertainer, who is able to take a song and make it her own."

- - Clifford Brown, Jr. radio host and producer of "The American Jazz Countdown." (KCSM)

"Perrier's work is big, rich, melodic and hits home with a remarkable punch. She has that swirling, dancing, ingratiating intimacy usually associated with Continental vocalists. A real pro!"

- - Phillip Ellwood, San Francisco Examiner

"Denise has this wonderfully warm voice. Listening to her is like sipping the best glass of wine you ever had in your life. You savor every note that comes out of her mouth."

- - Dr. Dee Spencer, Pianist and Music Educator

"Like Dinah Washington, Perrier can belt the blues with authority and deliver an intimate ballad as if she were relating a story from her own life."

- - Andrew Gilbert, Special To The Chronicle

"When Denise sings, you can hear the ease and vocal warmth of Lena Horn and the feisty Dinah Washington all rolled into one. Denise is an absolute joy to listen to and watch."

- - Karen Shivers, Norwest Jazz Profiles

"She's the real deal, right in there with Ella Fitzgerald and Dinah Washington."

- - Bryan Gould, Founder of Big Band Swing Fever
