FOREVER LOVE

IT'S SO WONDERFUL

Verse #1:

Bright as a diamond. And clear as blue sky.
We've gotta find the key. The best way to go.
Our love is burnin'. Oh! Burnin' up all night.
A smile on your face. I think we both really know...

Chorus:

Isn't It Wonderful, that we're still in love after all this time.
Ooh, Ooh, Ooh, Ooh!
It's So Wonderful, that there is an answer
In our eyes. It's So Wonderful.

Verse #2:

Your lips are ruby. Yeah, Yeah! And you love to smile.
My heart is tied to you. Our passion will grow.
We seem to find the time, Mmm, to make love all night.
And if we slip away, our love gives us somethin' to show.

Chorus:

Isn't It Wonderful, that we're still in love after all this time.
Ooh, Ooh, Ooh, Ooh!
It's So Wonderful, that there is an answer
In our eyes. It's So Wonderful.

FOREVER LOVE

KEEP MY LOVE

Verse #1:

A quiet rainy night. I hear the sound of rain outside my door.
There's no one here to change the mood at all.
A thought of you enters my mind. My fantasies run evermore.
But still the raindrops fall.
I long to be right by your side. Right next to you on such a night.
Instead I only wonder where you are.
But if I had the wings to fly to you I'd soar in endless flight.
The way my heart feels when I'm with you under the stars.

Bridge:

I say to you, my love! Only to you...
Yes, Only to you...

Chorus:

Won't you Keep My Love in your mind while we're apart.
For I'll think of you each and every day from the start.
Oh, Won't you Keep My Love in your heart until we meet again.
For I'll do the same for you.
Oh, Won't you Keep My Love.
Won't you Keep My Love.

Verse #2:

I wonder if you're fine. I wish I had a way to know always.
If you're feelin' sad at all inside.
'Cause if I had that wish fulfilled I'd say to you in countless ways
No need to sigh.
Oh, Oh! But last of all I wish I had a dream for every thought of you
So maybe then I'd never wake at all.
And only then on rainy, stormy nights
I'd sleep so calm straight through.
A perfect dream and storm where raindrops peacefully fall.

Bridge:

I say to you, my love! Only to you...
Yes, Only to you...

Chorus:

Won't you Keep My Love in your mind while we're apart.
For I'll think of you each and every day from the start.
Oh, Won't you Keep My Love in your heart until we meet again.
For I'll do the same for you.
Oh, Won't you Keep My Love.
Won't you Keep My Love.

FOREVER LOVE

LET ME BELONG

Verse #1:

Well, I woke up just the other day if you believe
To turn myself around to only see
That you were gone, that you weren't there,
No, You weren't there.
And yes, I broke up. Tears-They fell so free from my eyes.
And so today I find to my surprise
That I'm alone in my despair.
Oh My despair.

Bridge #1:

And I can only hope in my mind
For your return, your return... Yeah!

Chorus:

So you can show me right from wrong. Yeah!
And so you can show me love so strong. Yeah!
And so you can make me feel that I belong.
Ooh, Let Me Belong to you... Yeah! Won't you...
Let Me Belong.

Verse #2:

Well, Now I wonder where do I go to find true love?
Do I ask for miracles above
To bring someone, someone so true?
Yeah, Someone so true.
But why should I wonder, "Where do I go to find the one of my dreams?"
'Cause when you were with me it truly seemed
That you were mine, true through and through.
Yeah, True through and through. Alright!

Bridge #2:

But I can only hope in my mind
For your return, your return... Yeah!

Chorus:

So you can show me right from wrong. Yeah!
And so you can show me love so strong. Yeah!
And so you can make me feel that I belong.
Ooh, Let Me Belong to you... Yeah! Won't you...
Let Me Belong.

FOREVER LOVE

CUSTODY OF MY HEART

Verse #1:

Was I right? Was I wrong?
It doesn't really matter the damage is done.
Forgotten all and all, and all gone by.
Was it just a misunderstanding?
Takin' out my heart and my reasoning.
If it's not supposed to hurt why do I cry?
Well, I don't know why.

Bridge #1:

But when we were together as one
I used to believe.
I put my hopes into someone and now I'm left you see.

Chorus:

When I say I give in.
When I feel that you win.
When I know I need your love to be.
Then, you have Custody Of My Heart.

Verse #2:

Give it up while you're ahead.
That's what they say, but I say instead
That one day someone will come my way.
Though I'm hurt for now.
It doesn't really matter anyhow.
I'll bounce right back someday real soon you'll see.
But still I know why...

Bridge #2:

Remember the times I spent with you
And those simple days so long ago.
But those days are gone. Old days, anew,
And time keeps moving on.

Chorus:

When I say I give in.
When I feel that you win.
When I know I need your love to be.
Then, you have Custody Of My Heart.

FOREVER LOVE

MAYBE SHE

Verse #1:

Maybe she's outspoken?
Maybe she's just a little bit, a little bit too shy?
Maybe her heart's been broken?
Maybe by some other guy?

Chorus:

And maybe she's too beautiful for you?
And maybe she's gotta carry the whole world upon her shoulders?
And maybe she's so glad you're alive?...
Maybe She.

Verse #2:

Maybe she's so lonely?
Maybe she's just a little, a little bit too high?
Maybe she needs you only?
Maybe she'll give you the eye?

Repeat Chorus:

And maybe she's too beautiful for you?
And maybe she's gotta carry the whole world upon her shoulders?
And maybe she's so glad you're alive?...
Maybe She.

Verse #3:

Maybe she's just waitin'?
Maybe she's just a little bit, a little bit too sly?
Maybe she's just lookin'?
Maybe just for the sky?

Repeat Chorus:

And maybe she's too beautiful for you?
And maybe she's gotta carry the whole world upon her shoulders?
And maybe she's so glad you're alive?...
Maybe She.

FOREVER LOVE

NOTHING ELSE TO LOSE

Chorus:

Oh, Nothin's gonna stop you, girl, this time I know
Or take you down to size with nowhere else to go.
Oh, But what you gonna do when you're way down so low.
And there's Nothing Else To Lose.

Verse #1:

Been hearin' a lot of you lately willin' and free.
Oh, What will make the difference? What will make you see
That I care for you? And you know that I do. You know I do, Ooh...
But what's got into you lately? Suddenly you've changed.
Oh, Is it me? Am I to blame?
What do you really need? Am I not enough, enough for you? Ooh...

Bridge #1:

Well, I try my best to hold on. It's you I believe in.
But when my reasons start fallin', where can I begin?
Well, You're out on a role of despair. Washin' all in sin.
Oh, I'm waitin' inside within. Oh...

Chorus:

Nothin's gonna stop you, girl, this time I know
Or take you down to size with nowhere else to go.
Oh, But what you gonna do when you're way down so low.
And there's Nothing Else To Lose.

Verse #2:

Late night evenings. Why are you throwin' your life away?
Can't find the reason? Nothin' for you to say?
Well, I can't understand what are you tryin' to do, do to yourself? Ooh...

Bridge #2:

Well, Do you need those beside you full of power and hate?
Oh, Why do you push away my love, and stay out so late?
Oh, I'm only tryin' to find a way to win over the fate.
The opposition is winning. I'm too late! Oh...

Chorus:

Nothin's gonna stop you, girl, this time I know
Or take you down to size with nowhere else to go.
Oh, But what you gonna do when you're way down so low.
And there's Nothing Else To Lose.

FOREVER LOVE

LAST CHANCE

Verse #1:

Love is bright. You can't feed me no illusion.
Day or night. True love brings no confusion.
Lovers past. You just keep right on lyin'.
I know at last. But you still keep on defyin'.

Bridge #1:

You say, "They're just old friends, I've known them many years."
"I would not ruin our love and bring us tears."
But I say, "You know that I'm the one who always fears
That you're goin' away." But you might be leavin' today because...

Chorus:

It's your Last Chance
To prove your love to me. Oh, Well, It's your Last Chance
To try to find ecstasy. Well, It's your Last Chance
To do me like you do, Oh! I can't keep hurtin'
From our romance, or it's your Last Chance
With you know who.

Verse #2:

Tell the truth. Tell me who is the new one.
Lie to youth. 'Cause I know better, I'll ruin your fun.
Change your mind? You just can't say it to my face.
Are you kind? It seems you're just a big disgrace.

Bridge #2:

I say, "You ride the waves, you care about no one."
"You take your chance, you live under the gun."
But you say, "I just accuse, no proof, I offer none."
But I can't keep livin' on this way. I gotta change my views today, and so...

Chorus:

It's your Last Chance
To prove your love to me. Oh, Well, It's your Last Chance
To try to find ecstasy. Well, It's your Last Chance
To do me like you do, Oh! I can't keep hurtin'
From our romance, or it's your Last Chance
With you know who.

FOREVER LOVE

FOREVER LOVE

Verse #1:

I remember the sunny day
When I laid my eyes on you.
I knew I'd found my love so true.
Now I stand somewhere new
And I think about the past
And I'm thinkin' I'm glad that our love can last.

Bridge #1:

And when I hold you in my arms at night,
I feel so safe by you.
Just to think of you out of my sight,
I wonder what I would do.

Chorus:

Our love will...
Go on, and on, and on. You'll see what what I mean, when we...
Go on, and on, and on. Through time you will see that we will...
Go on, and on, and on. Holdin' love above. We will...
Go on, and on, and on. Forever my...
Forever Love, Forever Love.
Forever Love, Forever Love.

Verse #2:

Every time I see you walk
I begin to shake inside.
When I hold on to you I know I hold a prize.
I know you feel the same.
I don't need to win your heart,
And I'm hopin' that all these good things won't stop.

Bridge#2:

And when I see your eyes staring at mine
I see new horizons.
And I'll always keep you in my heart.
I'm realizin' you are all mine and ...

Chorus:

Our love will...
Go on, and on, and on. You'll see what what I mean, when we...
Go on, and on, and on. Through time you will see that we will...
Go on, and on, and on. Holdin' love above. We will...
Go on, and on, and on. Forever my...
Forever Love, Forever Love.
Forever Love, Forever Love.
