DON'T RUN FROM ME

Chorus:

And Oh, My Lady. She keeps on runnin' from me.  
Well, She's all I ever need to carry on.  
Oh, My Lady. She keeps on runnin' free.  
I've gotta to win her heart. That girl!  
Because I need her love for sure.  
Don't Run From Me. Ooh, Yeah! Don't Run From Me. Oh!

Verse #1:

She's like a dream in real life.  
She's everything to me in this whole wide world.  
She's like a miracle/surprise.  
She's like a fantasy all inside one girl.

Bridge #1:

But she turns away from me  
And tells me she's not mine alone  
And then I try to let her know  
Without her love I'm not at home.

Chorus:

And Oh, My Lady. She keeps on runnin' from me.  
Well, She's all I ever need to carry on.  
Oh, My Lady. She keeps on runnin' free.  
I've gotta to win her heart. That girl!  
Because I need her love for sure.  
Don't Run From Me. Ooh, Yeah! Don't Run From Me. Oh!

Verse #2:

I send her cards and flowers.  
I write her letters half the time I throw away.  
I just can't sleep sometimes for hours.  
I just can't keep it up. Her love leads me astray.

Bridge #2:

But I run to her always  
And try to let her know my heart  
But she's gone and on her way  
Before I get a chance to talk.

Chorus:

And Oh, My Lady. She keeps on runnin' from me.  
Well, She's all I ever need to carry on.  
Oh, My Lady. She keeps on runnin' free.  
I've gotta to win her heart. That girl!  
Because I need her love for sure.  
Don't Run From Me. Ooh, Yeah! Don't Run From Me. Oh!

## HOW LONG MUST I WAIT

Verse #1:

I keep on runnin' into you  
Everywhere I go.  
I see you runnin' all around  
With someone I don't even know. Yeah!

Bridge #1:

Well, It's a knife in my back  
To see you with someone new.  
I keep thinkin' of our love  
Before the parting was all up to you.

Chorus:

How Long Must I Wait  
To get you out of my mind  
So I can fall in love again  
With someone who's my kind.  
How Long Must I Wait  
To get you out of my heart.  
I need to find somebody true  
And start a love anew. How Long Must I Wait. Yeah/Oh!

Verse #2:

Memories of the past  
Take control of me.  
Visions of our old love  
Are all that I see. Yeah!

Bridge #2:

But you're off doin' what you want  
In spite of how I feel.  
You're off searchin' for love.  
It doesn't matter to you if it's real.

Chorus:

How Long Must I Wait  
To get you out of my mind  
So I can fall in love again  
With someone who's my kind.  
How Long Must I Wait  
To get you out of my heart.  
I need to find somebody true  
And start a love anew. How Long Must I Wait. Yeah/Oh!

Section:

It seems just like yesterday when we were in love.  
It seems just like a fantasy you ever went away.

Chorus:

How Long Must I Wait  
To get you out of my mind  
So I can fall in love again  
With someone who's my kind.  
How Long Must I Wait  
To get you out of my heart.  
I need to find somebody true  
And start a love anew. How Long Must I Wait. Yeah/Oh!

TURN AWAY

You got your back up against the wall again.  
You wonder how long the game of love brings pain.  
You know inside love feels right to you.  
But I know he doesn't care for you any day.  
Oh, So why don't you just...

Chorus:  
Turn Away.  
Oh, Turn Away.

You're runnin' 'round in search of his affection.  
You feel the need to give your love to him.  
But when you need him most he's not around.  
He's out havin' fun makin' you pay.  
Oh, So why don't you just...

Chorus:  
Turn Away.  
Oh, Turn Away.

Bridge:  
Well, I know you're right for me.  
Well, I know I'm right for you.  
One day we'll fall in love...  
In love, Ooh, In love.

How much more pain can one heart take?  
Can't you leave, or has it occurred to you?  
Do you find truth in all his wronging? Yeah!  
You must believe in the words I say.  
Oh, So why don't you just...

Chorus:  
Turn Away.  
Oh, Turn Away.

HOME AGAIN

I woke up this mornin'  
Feelin' a little high  
Because I'm on my way Home Again.  
It's been such a long time  
Since I've seen my home.  
Well, I've finally returned after waiting so long.

Chorus:  
And somehow I'm back holdin' you again.  
Without you I felt so alone.  
And somehow I'm back lovin' you again  
And somehow I'm Home Again.

It feels so good to be back home.  
There's nothin' like feelin' free  
When love rains down all over your pride.  
You once told me  
In your heart I'd always have a home.  
Well, I'm comin' home for good this time.

Chorus:  
And somehow I'm back holdin' you again.  
Without you I felt so alone.  
And somehow I'm back lovin' you again  
And somehow I'm Home Again.

SAME OLD STORY

You're walkin' 'round town, lyin' to everyone that you know.  
You're talkin' about me behind the scenes.  
I'm hearin' through the grapevine that you say I'm untrue.  
But you know as I know you're tearin' our love in seems.

Bridge #1:

Yes, Only a lady would lie like that  
Who's got nothin' but evil in her heart.  
So, Cry on a shoulder that doesn't care for fact.  
'Cause I know how you start...

Chorus:

The Same Old Story.  
The Same Old Story.  
You're cheatin' on me/I've heard it before.  
The Same Old Story.

I can't understand why you always start your lies.  
Do you do it for spite or attention in the end?  
You push your love on me. I don't understand why.  
Do you think I enjoy the love lies that you send?

Bridge #2:

But you bring all down to their knees  
With a mere glimpse from your eyes.  
You know with your looks you get what you please.  
But I finally realize. It's your...

Chorus:

The Same Old Story.  
The Same Old Story.  
You're cheatin' on me/I've heard it before.  
The Same Old Story.

Bridge #1:

Yes, Only a lady would lie like that  
Who's got nothin' but evil in her heart.  
So, Cry on a shoulder that doesn't care for fact.  
'Cause I know how you start...

Chorus:

LOVED ONES

We spend days together  
Not worrying about the time.  
Understanding each other  
Like music in the rhyme.  
We're truly the dream  
That other people only try to be. Oh, We are...

Chorus:  
Loved Ones. Loving one another  
Always we believe each other  
To the end. To the end. Oh, We are...  
Loved Ones. Always showing  
Full faith. Our hearts will be glowing.  
We can't pretend. Over the years we shall spend.

Showing the truthfulness  
And the feelings begin to flow.  
Never the quietness,  
But all I really know  
Is your smiling face  
Is all I need in my mind in full trace. Oh, We are...

Chorus:  
Loved Ones. Loving one another  
Always we believe each other  
To the end. To the end. Oh, We are...  
Loved Ones. Always showing  
Full faith. Our hearts will be glowing.  
We can't pretend. Over the years we shall spend.

Bridge:  
I'm a believer now. I do believe.  
I truly believe. That we are...

Chorus:  
Loved Ones. Loving one another  
Always we believe each other  
To the end. To the end. Oh, We are...  
Loved Ones. Always showing  
Full faith. Our hearts will be glowing.  
We can't pretend. Over the years we shall spend.

## WHAT DOES IT TAKE

Hello, Lady, look in my eyes and tell me what you really see.  
I'm falling in love with you. Oh, You must believe.  
And when you turn away from me you must see  
You're hurting me so deep inside.  
I fight for your love so hard, yet I win no prize.

There is something that could last I know we'll find.  
If you would only let my love shine.  
We'd fly through love endlessly away...

Chorus:

What Does It Take to win your heart?  
What Does It Take. Where do I start?  
I'm runnin' in circles inside my head.  
What Does It Take to win your love?  
What Does It Take from high above?  
Girl, Let me know instead...  
What Does It Take.

When I think of myself alone, without your love to guide me through.  
I begin to cry inside, but what can I do?  
You know I'd rather have you here in my arms.  
There's nowhere that I'd rather be.  
I'm bound to your love at heart, as strong as the sea.

I will truly wait for you until the end.  
I'd rather never fall in love again.  
You're all I need, endlessly, always...

Chorus:

What Does It Take to win your heart?  
What Does It Take. Where do I start?  
I'm runnin' in circles inside my head.  
What Does It Take to win your love?  
What Does It Take from high above?  
Girl, Let me know instead...  
What Does It Take.

## LEAD THE WAY

Don't give up. Oh, I'm still learning all about you.  
Give me just another chance to prove.

So, Give me time and understanding.  
Oh, I'm at your commanding.  
Oh, I only ask one thing of you.  
Please. Oh, And...

Chorus:  
Lead The Way. Show me just where to go.  
Lead The Way. Take me where you know  
I will be safe from all the world and...  
Lead The Way. I will follow you.  
Lead The Way. Whatever I've gotta do  
To find peace and state of mind.

Just give a sign to show me.  
Tell me what I should begin to see.

So, Tell me what I need to know.  
Oh, Show me where I need to go.  
Oh, I only ask one thing of you.  
Please. Oh, And...

Chorus:  
Lead The Way. Show me just where to go.  
Lead The Way. Take me where you know  
I will be safe from all the world and...  
Lead The Way. I will follow you.  
Lead The Way. Whatever I've gotta do  
To find peace and state of mind.

Lead The Way. Show me just where to go.  
Lead The Way. Take me where you know  
I will be safe from all the world and...  
Lead The Way. I will follow you.  
Lead The Way. Whatever I've gotta do  
To find peace and state of mind.

Lead The Way. Show me just where to go.

NO BREAK

Verse #1:

Always on the outside lookin' in  
When it comes to your love.  
Yes, It's you the one who always knows how to pretend.  
Never do I know for sure what's true  
When it comes to your love.  
Yes, It's you the one who can lie and seem so true blue.

Bridge #1:

Living in intension and never reality. But Girl...

Chorus:

You give me No Break-A Story.  
Your love lies. Your glory.  
You give me No Break-A Story.  
No love do you make.  
You give me No Break-A Story.  
Your love makes me worry.  
You give me No Break-A Story.  
How much more can I take?  
When you give me No Break.

Verse #2:

Never do I find peace with you  
When I think about our love.  
How can I find peace within my heart? What can I do?  
Searchin' endlessly inside my head, searchin' inside my mind,  
When I think about our love.  
Whether I can find some truth in my life without you.

Bridge #2:

I can't keep pretendin'. Won't you give me reality. But, Girl...

Chorus:

You give me No Break-A Story.  
Your love lies. Your glory.  
You give me No Break-A Story.  
No love do you make.  
You give me No Break-A Story.  
Your love makes me worry.  
You give me No Break-A Story.  
How much more can I take?  
When you give me No Break.

Bridge #2:

I can't keep pretendin'. Won't you give me reality. But, Girl...

Chorus:

You give me No Break-A Story.  
Your love lies. Your glory.  
You give me No Break-A Story.  
No love do you make.  
You give me No Break-A Story.  
Your love makes me worry.  
You give me No Break-A Story.  
How much more can I take?  
When you give me No Break.

RAIN ON ME

So, Where have you been?  
Where did you go?  
I'm hurtin' within  
And I've got to tell you so.

Well, Your love is all I need  
And with you I do believe,  
We could do love right  
Once and for all. If you'd just...

Chorus:  
Rain On Me.  
Brings my heart alive. No, oh no no. If you'd just...  
Rain On Me.  
Won't you give me all the strength  
I need to survive.  
Rain On Me.

So, Let me in.  
Don't close love's door.  
No need to pretend  
'Cause I've got to feel more.

Well, You are too lovely  
And with you I truly see,  
We could do love right  
Once and for all. If you'd just...

Chorus:  
Rain On Me.  
Brings my heart alive. No, oh no no. If you'd just...  
Rain On Me.  
Won't you give me all the strength  
I need to survive.  
Rain On Me.

Rain On Me.  
Brings my heart alive. No, oh no no. If you'd just...  
Rain On Me.  
Won't you give me all the strength  
I need to survive.

IN LOVE WITH AN ANGEL

How long can I fight the game of love?  
It seems forever I've been alone.  
Well, I talk to the wise and I talk to myself,  
But still I find no truth at all.  
I'm goin' in circles only changin' up my speed  
Since she left me on my own.  
Well, I try to believe that she'll come back,  
But with no sign of her still I fall,  
Still I fall...

Chorus:  
In Love With An Angel.  
Heaven was in her arms, but now she's gone  
And now I'm left to carry on. I'm...  
In Love With An Angel.  
How could she do me wrong?  
But now she's gone  
And my love just stays inside  
Living on.

Lookin' somewhere in search of someone  
To replace the one who broke my dreams.  
Well, I've got to believe that she's out there somewhere.  
But where do I look? Well, I don't know for sure.  
Can't someone out there understand what I need?  
Just someone to believe in me.  
Well, What can I do until I find that one?  
I just keep seekin' in my mind for my angel,  
My angel. Yes, I'm...

Chorus:  
In Love With An Angel.  
Heaven was in her arms, but now she's gone  
And now I'm left to carry on. I'm...  
In Love With An Angel.  
How could she do me wrong?  
But now she's gone  
And my love just stays inside  
Living on.

Living on...  
Living on...  
Living on...
